Yes, productive call. Thanks, Jonna and all. Good to see this updated version of the side event.

I hope to attend the WOHC and am willing to participate in the side event.

Thanks for an efficient and productive call today.
Attached as a follow-up is the current World One Health Congress (WOHC) 2020 Side Event Concept. Please do respond if you are planning on attending WOHC and are willing to participate (especially if you weren't on the call and we didn't capture your participation today).
Have a great afternoon/night,
Jonna
